## Selectmen's Meeting

OPEN BURNING ALLOWED NOW

Fire Chief Paul Bradley informed Selectmen that open burning permission may be obtained from either him or the Police/Fire Control Center for the burning of brush and garden debris. The open burning will be allowed between the hours of 10:00 A.M. and 4:00 P.M. after permission is given. This period will end March 15th.

### SENIOR AIDE QUESTION

Executive Secretary Stephen Lombard advised the Board of Selectmen that he had been in contact with Coastline Elderly Services in regard to the possible hiring of an aide to answer the phone for seniors.

Both Selectmen Chairman William Hubbard and Selectman John DeCosta expressed a desire to inquire of surrounding towns to see how such an aide is working out. Selectman R. William Blasdale agreed but went on record as opposed to the hiring. He said that just prior to the meeting a volunteer had offered to handle calls from seniors and he thought perhaps others would serve if needed.

The Selectmen asked Executive Secretary Lombard to initiate inquiries to other towns.  
**TOBEY HOSPITAL INVITATION**

Mr. Warren Bishop, administrator of Tobey Hospital, invited the Board of Selectmen to attend a meeting March 1st at 7:00 P.M. at Tobey Hospital Library to discuss the proposed state health plan. Selectmen Hubbard and DeCosta will attend.  
**EMT TRAINING POSTPONED**

Police Chief Duane Tuttle notified Selectmen that he is agreeable to Officer Penny Hiller's request that her E.M.T. training be postponed for a year. The Selectmen will allow the request provided that Mrs. Hiller's duties be confined to the dispatcher's desk. They specify that no officer should patrol without E.M.T. training.

MUSIC FESTIVAL BENEFIT

Tabor's young musicians once again hope to do themselves proud at this year's International Music Festival in Bermuda. Every year thousands of school musicians take the opportunity to participate in one of the many international gatherings of musical camaraderie and competition. Among the Tabor musical ambassadors will be the Tabor Tones (Glee Club) and the newly formed TAJ (jazz) combo.

To help make their aspirations a reality the boys are offering a public concert on Sunday, February 18th, at 7:30 P.M. in Hoyt Hall. The program will consist of a repertoire of sea chanties, madrigals, spirituals and school songs as well as some pop hits and jazz classics from such names as Ellington, Rollins, Gillespie, and a number of Chicago hits.

Tickets for this event are on sale at the Bookstall in Marion and may be bought at the door as well. Members of the performing ensembles are also acting as ticket agents. All are cordially invited to attend.

## Tri-town Assessors Meet

ASSESSORS DISCUSS REVALUATION AND CLASSIFICATION OF REAL ESTATE

Assessors of Mattapoisett, Marion and Rochester met Tuesday evening, February 6th, at 7:30 P.M. at the Mattapoisett Town Hall. Topic of discussion was Revaluation and Classification of Real Estate.

The purpose of the tri-town meeting was to exchange ideas and coordinate timing of the implementation of the State-mandated Revaluation and Classification programs.

Chairman of the Mattapoisett Board, John D. Gibbons, explained that, although we will be completely done with revaluation June 30, 1979, the earliest possible date the new value may be used would be in the tax bills sent out September, 1980.

All three towns agreed to meet again before applying new values. The timing is very important in order not to lose any state aid.

Also, as pointed out by Bruce Rocha of the Mattapoisett board, as soon as the revaluation figures are certified by the State, state law provides we must classify all property.

The classification law, however, is in serious trouble and there appears to be some question as to whether this law will be repealed.

Walter Apperson, veteran Assessor of the Mattapoisett board, recalled that in 1965, the last time the town was revalued, time proved that it is not in the best interest of our towns to be one of the first communities to comply with the state mandate.

Charles Woodcock, chairman of the Marion Board, outlined Marion's progress on revaluation and expressed confidence in the

## Education of Gifted

### INSERVICE DAY FOR TEACHERS & AIDES

On Monday, January 29, the Old Rochester Regional School District and the Massachusetts School Superintendency Union #55, Marion, Mattapoisett and Rochester, held its first inservice day for the teachers and aides in the three towns and District. The workshop was devoted to the education of the gifted and talented. Over 300 persons participated, including guests from the following school districts: Acushnet, Bourne, Chatham, Fairhaven, Fall River, East Freetown, Harwich, Hyannis, Middleboro, North Dartmouth, New Bedford, North Dighton, Provincetown, Rochester, Sandwich, Seekonk, Somerset, Swansea, Taunton, South Dartmouth, Wareham, Westport, Nan-

tucket, Bridgewater and Marion.

The inservice program was of special significance because it was the first time that all of the teachers from the towns and the district got together for an inservice workshop.

At the opening meeting in the Old Rochester Regional High School Cafeteria, Superintendent Joan Walsh welcomed members of the teaching staff and guests. The presenter at the opening sessions was Carolyn Hazard, contact person for the gifted, Rhode Island State Department of Education. Ms. Hazard presented a simulation on "Issues Surrounding Identification of Gifted and Talented Children". Participants received information concerning ten students and were asked to select three for a national institute on the gifted. A media presentation dealing with issues of selection and program revealed the true identities of the ten candidates.

Participants selected among the following morning workshops: 1. Creative Enrichment Program at Harwich; 2. Project Potential: Criteria for Identification and Selection of Gifted and Talented Students; 3. To What Do You Owe Your Success?; 4. Or-

REPRODUCED ABOVE IS A SMALL OIL PRIMITIVE OF THE PIERCE-GERRISH HOMESTEAD WHICH WAS LOCATED ON THE LAND NOW OCCUPIED BY THE OLD COLONY REGIONAL VOCATIONAL SCHOOL.

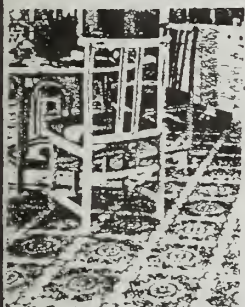

THE ARTIST IS BELIEVED TO BE PHOEBE PARA (GERRISH) (WADHAM) SPARROW, BORN IN 1846. HER COUSIN CALEB

PIERCE PURRINGTON WAS A VERY WELL -KNOWN PAINTER, PANORAMIST WHO HELPED WITH THE FAMOUS "RUSSELL" PANORAMA. HE WAS ALSO A SCULPTOR WHO DID FIGURE-HEADS FOR WHALESHIPS INCLUDING THE WANDERER AND HER SISTER SHIP GAY HEAD II. CALEB WAS NAMED FOR HIS UNCLE CALEB PIERCE WHO WAS LOST AT SEA THE SAME YEAR CALEB PURRINGTON WAS BORN IN 1812.

BECAUSE OF THE PENCIL SEA SKETCHES ON THE BACK OF THE PAINTING, IT MIGHT BE SPECULATED THAT CALEB HAD A HAND IN THE PAINTING OR PERHAPS IN PHOEBE'S ART INSTRUCTION.

SIERRA CLUB FORMS  
GEORGE'S BANK COALITION

George's Bank, one of the world's most abundant fishing regions and now the center of strong controversy concerning oil exploration rights, will be the subject of an important activities meeting to be held Thursday, February 15th, at 7:30 P.M. at the Old Wareham Town Hall, 505 Main Street.

The Sierra Club, a nationwide volunteer organization devoted to environmental protection issues, will focus on the George's Bank issue through its newly formed South-eastern Mass. Group. Committees will be set up to organize local public opinion concerning the future welfare and protection of George's Bank for submission to government officials. Guest speaker Jay Lanzilo, Industrial Representative of the Port of Chatham, will present his views on the adverse effects of oil exploration upon the fishing industry and Marsha Rockefeller, a representative of the Sierra Club's New England Chapter, will present the Club's position on George's Bank.

New volunteers interested in immediate involvement in this important environmental coalition are invited to attend. For further information call 748-2699 evenings. Snow date for the meeting will be February 22nd.

wall hanging that is unique, uncluttered and dramatic. A selection of Ms. Mellor's work, currently on display at the Fairhaven Savings Bank, has received considerable acclaim.

Ms. Mellor maintains a studio, The Chrysalis, in Onset, with her husband George Mellor, a Professor of Fine Arts at Southeastern Massachusetts University. "Sculptured Sketches" reveal just one facet of the artist. She has also mastered the more traditional media of oil and watercolor; and in another vein, extended her artistic interests to include Ballet and Point, Modern Jazz, Afro Rhythm dancing and T'ai Chi Ch'uan.

Her academic credentials were earned as a student at Marjorie Webster Junior College, Gettysburg College, Swain School of Design and Boston University. She has taught at the University of Delaware, Swain School, Cape Cod Conservatory, Adult Education Classes at area high schools as well as Creative Arts Programs for the Sippican School in conjunction with "Project Impact", under auspices of the

Massachusetts Council of the Arts.

Her current exhibit demonstrates the importance of the setting and framework for each sculptured piece in a singularly successful unification of both.

Her work has been displayed from Cape Cod to Delaware - Bryn Mawr, Wheelock

# TIPS FOR CONCRETE WALKS AND DRIVES

• The least expensive deicer is still common rock salt. Be cautious of the deicers containing ammonium nitrate and ammonium sulfate fertilizers that are sold as beneficial to lawns. They will melt snow and ice, but because they react chemically with concrete, their extensive use can cause pitting or roughing of the concrete surface.

• If you plan a concrete project next year, ask for air-entrained concrete. Millions of tiny bubbles in the concrete provide increased durability against scaling when salts are used as deicers.

• When building a new driveway, ask for a concrete strength of at least 4,000 pounds per square inch and insist that the concrete be properly cured after placement by sealing the moisture in by using a curing compound, vapor barrier, or by keeping the new concrete continuously wet for at least 5 days.

of the New England Coalition for Educational Leaders, a group of women educators dedicated to improving women's status, rights and opportunities in education. The subject of the panel was "A View From the Top"; the moderator was Dr. Mary Winslow, Professor of Education at the University of New Hampshire. The conference, attended by 120 participants, was held at the Wellesley College Club, Wellesley, Massachusetts.
